

1 x K1 Traktor Remix Deck™

About the Map:

Utilizing the now assignable parameters in Traktor's 2.6 Remix Deck™. Allen & Heath have brought you a simple way to control these functions using their Xone:K1 MIDI Controller.

Launch clips from personally created Remix Decks™ or download signature remix sets from your favourite DJ's to add a personal touch to your DJ sets.

Xone:K1 Remix Decks™ Map allows you to utilize the most common functions of Traktor's Remix Decks™. These functions include:

Media / tree browser
